

Parent Evening Invitation

Dear Parents

We would like to invite you to a Parent Information Evening on Monday 19th March, in the school library at 7pm to 8pm.

At Newborough East Primary School we share and celebrate our similarities and differences within the classroom and the community. One thread that links all classrooms is the use of a fantastic tool – THRASS. THRASS provides a resource for teachers to share a common language and explanation of English orthography.

To continue the link between school and home, NEPS is hosting a parent information session to explain and share how

THRASS – Teaching Handwriting, Reading and Spelling Skills, is used to teach your children the sounds, patterns, spelling choices and grammar of English (orthography).

Our goal is for you to have an understanding of the tool and develop an interest in using the tool at home to further aide your child’s learning.

Please fill out and return the below is a **slip to the office** to indicate if you are able to attend this evening.

Regards
