### Staffing Update

In staffing news, our Primary Welfare Officer (PWO), Mr Paul Fry, has been seconded to the Department of Education Moe Office as a Learning Advisor for students in Out of Home Care. Paul will be in this role for at least 8 weeks and thus we will be appointing an Acting PWO during his absences.

We would like to congratulate Paul and know that he is only a call away when we need his support.

### Thanks for the Community support

Thank you to all the families who support NEPS each and every day. This support might be by helping with the breakfast club, supporting students read, supervising student and parents crossing the road or even just getting your child to school on time and with their uniform on. There are so many members of the local community who support the school and our students and I thought it was worth recognizing all these people who are helping raising the local students to reach their potential.

### Respect for Others

As you may have noticed, each week the newsletter has the NEPS Value in the footer, highlighted with a yellow background. Following the value are words that can be used in explanation of how Respect is demonstrated, so please make you and your child familiar with them.

### Queens Birthday Public Holiday next Monday

Please note that next Monday, 11<sup>th</sup>, June, is a public holiday and thus the school will be closed. I hope that the Queen does not mind that the students called her "Lizzie" when they were doing the front notice board!

### Celebrating student work !

Well done to Milla and Jai (see pictured) who

showed me their excellent work in sorting out the animals.

Enjoy the long weekend
