A word from Mrs Skee...

As we approach the term one Easter school holidays I would like to take this opportunity to thank you all for your ongoing support of both your children and our school. By working together as a supportive community we are able to provide the optimum learning opportunities for all of our children. I hope everyone is able to take true advantage of the school holidays to recharge and spend quality time with those you care about most. Next term promises to be a busy and exciting one with it being our reporting

term. Teachers will be busy completing their assessments on their students and writing their semester 1 reports. NEPS has also been selected to be a hub school for first year teachers and their mentors, with a number of professional development sessions being held in our library. The fundraising committee has also coordinated a moveathon fundraiser which will happen alongside the Kaboom incursion. Your child would have received a sponsorship booklet yesterday in order to collect sponsorship from family and close friends. All money raised will go towards your child's educational programs and facilities. At present I am working alongside Kathy Mewett (our fundraising coordinator), Kim Puddy, Mike Pullar, Bill Pace and Colin Morris in order to coordinate the works required for our second basketball/netball court and resealing and relining of both courts. This project will be made possible via department, community and fundraising funds.

During the term 1 holidays the second and final stage of our roof and guttering works will also take place. Whilst we are happy to have members of our community enjoy our school grounds and playgrounds during the school holidays I ask that they are mindful of this work. I also continue to encourage the school and wider community to look out for our school during the break to ensure that it is treated appropriately. If you see any misuse or inappropriate behaviour at the school I strongly urge you to contact the local police to report it. We all want to be able to return to a school that is as well looked after as we left it!

Finally I would like to acknowledge the ongoing hard work of the NEPS staff. This body of amazing professionals are amongst the best in the field and work tirelessly in their classrooms as well as behind the scenes to ensure all students are catered for. To each and every one of them I would like to say "thankyou!" and wish them a safe and relaxing holiday!

Until next term, have a very happy Easter and ensure that you have a safe and relaxing school holidays.

RESPECTFUL ROO

FUNDRAISING UPDATE...

<u>Year 6 Class of 2021 Screen Printing</u>
The Year 6 Class of 2021 screen printing has now closed. All of the orders have been collated and are ready for the printers. Students will receive their polo shirts early next term.

Move-a-thon

This year's Move-a-thon will look a bit different from previous years. We have been fortunate to be able to book Kaboom to come in and run their awesome program on Wednesday May the 5th for all students. As part of the Move-a-thon students all received a fundraising booklet on Tuesday, if your child was absent their teacher will have one set aside for them. Students are

able to fundraise online or you can use the booklet to collect donations, which is handy if you are catching up with family and friends over the holidays. There are lots of great prizes to be won, so check out the booklet for details. For any student who fundraises online there is the bonus of going into the draw to win some great family prizes as well.

Students choosing fundraising will need to return their forms and Money back to NEPS by Friday the 7th of May.

Thank you to all of our school community for supporting our fundraising efforts. We are currently fundraising for 2 new reversible basketball/netball towers for court 2

Easter Raffle

Thank you to all of the students for their generous donations for the Easter Raffle. We

had 20 awesome prizes to be won. Congratulations to all of the winners. Congratulations Taylah, pictured with her prize.

It's Audition time

I want to hold your hand, hand, hand

School musical

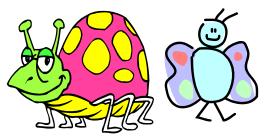

This year's musical is all about bugs, beetles and the wide variety of minibeasts living in our gardens. It features the music of, you quessed it, The Beatles.

If you would like to audition for this year's musical please complete the form and return it to the office as soon as possible, so we can allocate audition times in week 1 of term 2. Rehearsals will be scheduled for Monday and Wednesday afternoons and will run for terms 2 and 3. The show is planned for Thursday 9th September 2021. Students need to come to auditions prepared to sing a chorus and verse of a song with bonus points going for singing a Beatles song.
