11 students since the start of the year. We also have some new staff starting this term in our grade prep area. They are Miss Alysha Puddy and Mr Mitch Puller. Both Alysha and Mitch are ex NEPS students and they will be working in the area of Education Support. We extend a very warm welcome to Alysha and Mitch.

This term I am going to be visiting classrooms and revisiting our school rules and expectations. Whilst the majority of our students do an amazing job of adhering to these rules, there are times when we need to address areas that need more work. All of our school rules are based on **RESPECT** and it is important that we all continue to work together to ensure that we are conducting ourselves in a respectful way at all times. This includes; "Always using respectful language and behaviour when interacting with others". In particular we will be clamping down on any inappropriate language (which includes swearing and/or verbal threats or intimidation). It goes without saying that physical aggression will not be tolerated, with these behaviours being treated very seriously by ALL staff. As student voice is highly valued at NEPS, we continue to encourage our students to call out and report any behaviour that consistently goes against our school rules.

Of course, as well as address the behaviour that needs work, we will continue to focus on those students who consistently demonstrate exemplary NEPS behaviour, and will be recognising these students in a variety of different ways. These include;

- Student of the week awards
- Star student vouchers
- Respectful Roo awards

Please continue to keep an eye out on future newsletters that will be show casing these students.

As the cost of living continues to increase, and pressures are being felt by many of our families, I strongly encourage ALL of our families to utilise the supports we have available. This includes;

**SCHOOL PHOTO DAY IS COMING:**

Term 3 Monday 25<sup>th</sup> July, mark this date on your calander.

**A word from Mrs Skee...**

Welcome back to term 3! I trust that everyone had a relaxing break during the term 2 school holidays, and got to do some exciting things with their families. This term we start off with an enrolment of 350 students. This is an increase of

**The NEPS pantry** – that is fully stocked with grocery items thanks to the recent generous donation of Jerome Johnson and Experience Bus lines. This is located just inside the door of our front reception area. ALL families are welcome to utilise this.

**Wellbeing team** – At NEPS we are extremely fortunate to have a multidisciplinary wellbeing team that includes; A student wellbeing support coordinator (Mrs Karen Prestidge), an Art Therapist (Miss Darcie White), School Nurse (Mrs Allison Lloyd) and School Assistant Principal (Mr Nick Walsh). This team can also help to link families with other external supports. We encourage you to make contact with the team, by ringing the school on 0351261399 during school hours to make a time to discuss your needs.

**Community Support Liaison Team** – This year we are extremely fortunate to be joined by Mrs Ash Newman and Mr Joel Hardy who are working hard to reconnect our families to the school and wider community. Joel and Ash have been busy supporting our community in a number of different ways, which has recently included a grade 1/2 parent afternoon tea. Please keep an eye out on our school Facebook page which will feature some special activities aimed to raise money for our school.

I hope that everyone has a positive term this term. As always, please do not hesitate to contact me if you have any feedback, questions or concerns. My email address is [Julie.skee@educaton.vic.gov.au](mailto:Julie.skee@educaton.vic.gov.au)

## **Philip Green Aboriginal Survival Technology**

Tuesday saw all students visit with Philip Green. In his eco-safaris across Australia, Philip has visited with local Aborigines living in Kakadu wetlands, outback deserts, inland river systems and mountain forests. He has collected artefacts and inspected Aboriginal sites in every Australian state. He has a large collection of museum-quality artefacts which are given out in multiple touch-boxes for students to examine and handle.
