A word from Mrs Skee...

At NEPS we work hard with our students, families and school community to ensure that our NEPS values are adhered to.

Our values are; **RESPECT TO SELF, RESPECT TO OTHERS, RESPECT FOR LEARNING and RESPECT FOR COMMUNITY.**

As well as the very important focus on teaching our students to read, write and be numerate, we also work hard to teach them how to get along with others. At present we are running a special competition which recognizes students who are adhering to

our mantra that; “**At NEPS we build them up we don’t tear them down**”. As part of this recognition, nominated students go into the draw for FREE lego. It is an absolute pleasure reading out these award winners and hearing about the AWESOME behaviour that is being demonstrated.

Friday’s assemblies are one of the highlights to my week, not only do I get to work directly with our student leaders (who are currently doing an awesome job not only coordinating our Friday assemblies but also running special fundraisers such as our Mother’s Day Raffle) but I also get to share the examples of the great efforts our students go to to achieve success when they are at school.

On the subject of the Mother’s Day Raffle, can I please take this opportunity to thank Kelly Mether and Kayla Laffey for the generous donation of prizes for our Mother’s Day raffle prizes.

Mothers Day Raffle Prize Winners – Ssssh it’s a secret until Sunday 😊

Congratulations to all our winners
