A word from Mrs Skee...

WOW – only one week to go before the end of term! What an exciting time we have had in term 2. This has included; special lunch days, student leadership representation at the ANZAC memorial service, the simultaneous story telling, dress up and theme days, swimming for some grades, the athletic sports, camp for the grade 5/6 students and of course lots of engaging learning opportunities.

Next term promises to be equally as exciting, and will include our parent, teacher, student conversations in around week 3. These conversations allow students to reflect on their learning so far, and start to develop further learning goals to build on their prior knowledge, and ensure that they are achieving to the best of their ability. Please keep an eye out for information re this and how you book your interview time.

This term has also seen the start of family leave for both Mrs Samantha Johnson (who has been replaced by Miss Hibbertson) and we will soon be saying a temporary farewell to Ms Kalinda Smith who will start her family leave at the end of this term. We are currently finalizing Ms Smith's replacement and hope to have an announcement regarding this as soon as possible.

Other farewells are; Miss Janet Essler who is returning to Western Australia and to Ms Mari Lagou who is leaving NEPS at the end of the term.

We would like to wish all of these valued NEPS staff members all the very best.
