A word from Mrs Skee...

In recent weeks I have had the opportunity to not only visit our classrooms but also engage in some targeted professional development aimed at improving outcomes in Teaching and Learning at NEPS. I have been joined by members of our School Improvement and Middle Leadership team (Matthew Dubois, Debbie Richardson and

Emily Young) in these valuable learning workshops. Next Monday I am also at the Principal Conference where I will be undertaking two workshops, one of which is; Top trends impacting the future education sector. I think that staff attendance at targeted learning opportunities such as these continues to model that we are all lifelong learners. I cannot wait to share my learning with other members of the NEPS learning community.

On Thursday I had the pleasure of a visit from Marley Hester, who shared with me her information report about dogs.

This report was incredibly informative, and obviously a subject matter that Marley knew a lot about.

Thank you Marley for teaching me more about dogs – I definitely am more informed about this topic.

### JSC Thursday 8<sup>th</sup> June

The JSC invites everyone to participate in Ani-Com.

A day to dress-up in costume to celebrate comic superheros and animated characters.

It may be a great chance to involve some comics or graphic novels into your literacy for the unique skills of reading storyboard texts or a chance to observe characters emotions for Respectful Relationships.

This is just a fun day no cost involved just have fun.

There will be a costume parade at recess **10.45**

**All parents/carers are welcome.**

### 10 Cent Challenge

Thank you to everyone that donated their silver coins to the 10cent challenge we raised

## **NUDE FOOD DAYS ARE HERE!** **Remember NUDE FOOD DAYS Wednesdays**

Every Wednesday we will be having **Nude Food Day** at NEPS.

This is a day where we highly encourage students to bring lunches free from packaging such as chip packaging, glad wrap, and other soft plastic wrappers. We encourage all students and families to pack their foods in reusable containers and packaging (eg. bee's wax wraps). In the event that plastic packaging does come to school, it will remain in students' lunchboxes, and be taken home to be disposed of there.

Food packaging is part of a bigger community problem. Not only does it impact financially on our school with the need to empty the dumpster bins frequently, but it is also affecting our wider community and the natural environment. Food packaging that is left on our school grounds, or flies out of our bins, then gets washed into our waterways, beaches, and oceans, which causes the unnecessary death of our aquatic life. '*Clean Up Australia*' research says that around 130,000 tons of the plastic we consume leaks into the marine environment each year. **Nude Food = Healthy body + Healthy environment.**

We thank you for your ongoing support in making our NEPS community the healthiest, happiest, and most sustainable it can be.

# Priority Primary Care Centre

## Latrobe

Supporting Latrobe Regional Hospital

### Urgent, non-emergency care

The Latrobe Priority Primary Care Centre (PPCC) in Moe provides GP-led care for non-life-threatening conditions, without the need for you to visit an emergency department.

- See a doctor quickly.
- Avoid waiting in an emergency department.
- Our service is free for everyone, with or without a Medicare card.

Our GPs and nurses can give you priority care for:

- Mild to moderate infections
- Fever
- Pain when urinating
- Sprains and suspected minor fractures
- Back and muscle pain
- Minor cuts, burns and insect or animal bites
- Heartburn, vomiting or nausea
- Allergies and rashes

- Constipation, diarrhoea or abdominal pain
- Headaches, migraines or brief fainting
- Light bleeding in first trimester of pregnancy
- Mild to moderate asthma attacks, coughs and other breathing difficulties.

**The PPCC cannot provide non-urgent care. You should see your normal GP for regular care, including sick leave certificates, prescription renewals and wellbeing checks.**

If you have severe trouble breathing, blueness around the mouth, chest pains or pain in your arms or jaw, call Triple Zero (000) for emergency help.

Book an appointment or walk-in for priority care. Open seven days a week.
