**A word from Mrs Skee...**

WOW, another week done and dusted, where is this time going???? This week, whilst busy, has been somewhat affected by both staff and student illness. Whilst we have made every effort to cover teacher absence where possible, there will be times when we have to redeploy grades due to teacher shortage. Can I please take this opportunity to personally thank our students, staff and families for their understanding, flexibility and cooperation when we have to redeploy students to another grade. Whilst I know that this is not ideal, your support during this process is greatly appreciated. Thank you also to all those parents and carers who let our office know when their child is absent and the reason for this absence. This greatly supports our Department of Education

## A word from Mrs Skee continued...

Mrs student absence requirements, as well as provides important information to our classroom teachers.

**Student/Teacher/Parent conversations** : Thank you to ALL families and students who attended our Student/Teacher/Parent conversations on Wednesday and Thursday. These conversations provide an excellent opportunity to discuss with your child's teacher their areas of growth as well as those areas they are continuing to work on, and provide our students with a voice to engage in a meaningful discussion about their learning. Mrs Emily Young, Mr Matthew Dubois and myself are currently engaged in some offsite professional learning which has us focused on student voice and agency in the area of numeracy. I look forward to sharing this work with families in future communication.

**Communication** : We are currently reviewing our school communication portals and would love to hear from you. As well as our School Council members speaking to families in coming weeks to gain feedback on this very important area of whole school functioning, I encourage families to email me directly with your feedback. I would love to hear your views on;

- How do you prefer to receive whole school information – Newsletter, COMPASS, School Facebook Page etc”
- What areas are you interested in; student performance, school calendar dates, special events and activities, whole school priorities, updates on grounds and facilities
- What day of the week do you prefer the newsletter to come out? Why?

Please email me your feedback at [Julie.skee@education.vic.gov.au](mailto:Julie.skee@education.vic.gov.au)

**BOOK WEEK 2023** : This year our Book dress up day and parade will be held on **Friday the 25<sup>th</sup> of August**. Whilst this year's theme is "**Read, Grow, Inspire,**" students and staff are encouraged to dress in anything they relate to reading (favourite book character, favourite book etc). Family members are very welcome to come and view our Book Week parade, which at this stage is scheduled for the first hour of the school day.

**Volunteers** : If you (or someone you know) would like to volunteer at NEPS please contact your child's teacher or me via [Julie.skee@education.vic.gov.au](mailto:Julie.skee@education.vic.gov.au). ALL volunteers will need a current working with children's
