A word from Mrs Skee

As we come to the end of another week I would like to take this opportunity to remind you of a couple of key dates at NEPS;

Monday the 29th of July : Whole staff curriculum day (**NO STUDENTS AT SCHOOL ON THIS DAY**). The School Improvement Team will be leading our teaching and education support staff around work focusing on the new

curriculum 2.0, the new teaching model 2.0 as well as whole school expectations. This will be a huge day of professional learning for our staff, about which I look forward to sharing with our wider NEPS learning community.

Tuesday the 30th of July : Student/Teacher/Parent conversations (NO classes running on this day) – students only required to attend their scheduled interview time.

Please be advised that OOHSC will be running on both Monday and Tuesday. If you would like to book your child into this onsite care please make contact directly with TheirCare.

Friday the 23rd of August : Book Week at NEPS. ALL students and staff encouraged to dress up in Book Week themed costume. There will be a parade to which ALL families are invited to attend starting at around 9am. There will be prizes for the best costume in prep, 1/2, 3/4 and 5/6 and staff. ALL students and staff who come dressed up with also go into the draw for additional prizes. Keep an eye out for more information re Book Week.

I always love when students visit me and share how they are applying their learning. This week I had a visit from Harry and Tanner who shared with me some survey data on the students they had surveyed to see who liked space. The majority of students liked space, just like Harry and Tanner.

NAPLAN GRADES 3 & 5

Your student will be sent home with their NAPLAN results today. If you have any questions feel free to reach out to your students teacher

Before-School Care

Welcome to Newborough East TheirCare, where we believe in providing a safe and nurturing environment for children. Our before school care program is designed to cater to the needs of parents who require a reliable and supportive care service for their children before school hours.

Our program runs from 6:30am to 8:30am, and during this time, we offer a nutritious breakfast for children that includes a choice of cereal or toast. On special days, we also serve fun breakfasts like pancakes or waffles that children can enjoy with their friends. Our sessions are filled with a range of activities that promote creativity, imagination, and social interaction among children. Children can engage in arts and crafts, imaginative play, board games, or simply relax and read a book in our cozy corners.

We understand the importance of personalized attention and care for each child, and our dedicated staff ensures that every child's needs are met. We encourage parents to get in touch with Indi at 0408 855 889 to learn more about our before school care program or visit our gym anytime before or after school hours to see our facility in person.
