celebration for the whole NEPS community as well. The funds raised will go towards an upgrade of the Junior Playground in the school that is on order and should be installed in early December!

### Parent Opinion Survey- NEPS values Parent participation

This week the School Council and Staff have looked at the results of the Parent Opinion Survey that I mentioned in last week's newsletter. Another highlight for me was that 92% of parents responded positively to the statement "I feel that this school values parent contribution". This is great feedback as all staff at NEPS know that parents are vital in their child's success at school and we need to demonstrate this to our parents. If you would like further information about the Parent Survey results please see a school councilor or speak with me directly.

There has been a large amount of confusion about the Cup Days again this year and I have been confused like everyone else. Despite the local community voting in favor of the Melbourne Cup Day Public holiday, the La Trobe City Council have decided that the Moe Cup Day is the public holiday. To try to minimize confusion, NEPS School Council has decided **that both Moe and Melbourne Cup Days will be student free**, with Moe Cup being a public holiday and Melbourne Cup being Report Writing Day. Hopefully this will simplify a very confused situation!
