

NEWBOROUGH EAST PRIMARY SCHOOL

RESPECT - Self - Others - Learning – Community

Wednesday 13th of May, 2020

Dear Families,

The school has recently setup a mobile phone which may be used to make contact with parents/carers via text messages as an alternative to phone calls from the office.

The phone number is: 0484 035 439

If you receive a text from this number, it is important that you make contact with the school either with a response to the message, a phone call to the school office (5126 1399) and indicating who you are responding to (e.g. I'm calling in response to a text message from Mr. Walsh) or contacting classroom teachers/staff through Compass.

It is important to note that this phone is not a crisis number. The phone will not always be monitored. If you have urgent matters which require school attention, ringing the office (5126 1399) is the best way to access support.

Kind Regards,

Nick Walsh
Assistant Principal
