A word from Mrs Skee:

As we prepare for our final week of school for term 2, I would like to acknowledge our teaching staff for all of the time and effort that they have put into preparing student reports. Teachers this year have had to again work around lockdowns and remote learning whilst trying to collect important assessment data on our children on which they base their reports. I am incredibly proud of their amazing efforts and trust they will

enjoy their very well earned term 2 break. Don't forget that school finishes at 1.15 next Friday, with NO school buses running. Thank-you in advance for ensuring that your child(ren) are collected from school on time.

On Tuesday Tex Burnett, Gracie Martin and Ruby Coomber from Prep DR shared their long weekend writing with me. Thankyou for sharing your awesome work team!!!! Keep up the great work.
