A word from Mrs Skee...

As we head into the end of week 5, NEPS continues to be a very busy place. Teachers are busily assessing students and writing student reports. Key staff are also organising transition activities for our students (which includes our 2022 preps as well as our grade 6 students starting high school next year). Our current grade 4 and 5 students will also begin to work on their leadership speeches if they want to be considered for one of the student leadership roles in 2022. Together with these activities we are also looking at finally rescheduling our Book Week dress up day (more details regarding this will be communicated via COMPASS and the school facebook page).

Please continue to monitor COMPASS, the school Facebook page and read our weekly newsletter in order to keep up to date with key events, activities and important deadlines. As always if you have any questions, please do not hesitate to contact the school administration office during school hours, or email me directly at Julie.skee@education.vic.gov.au

GREAT NEWS! Our Garden is coming along nicely!

This is a project that will be enjoyed by the whole school, with many of the school's students being directly involved in its creation. As well as teaching our students valuable environmental lessons, this garden will be used to commemorate both our fallen servicemen and students and staff who have sadly left us.

Students and staff are looking forward to continuing to work and learn from this project. Here is another updated photo to share on the results thus far.

BOOK WEEK

Friday 12th November: We are able to celebrate book week dress up day and parade.

Parents are welcome 😊

The theme for Book Week is

“Old Worlds, New Worlds, Other Worlds”

ALL students and staff are encouraged to dress up on the day (either in something associated with the theme or as their favourite book character)

9am on the morning of Friday 12th November.

Unwell Students

Children may have prolonged post-viral symptoms such as a runny nose or cough and may return to school following a negative COVID-19 test even if they are not completely free of symptoms. They will need a medical

certificate from their GP to confirm they are otherwise well or have recovered from their acute illness. Students with a negative COVID-19 test whose symptoms have completely resolved do not need a medical certificate to return to the school.

Additionally, while we should have the majority of uniforms available, we're still expecting some stock shipments between now and the end of the year, so some items may not be available during the sale period.
