A word from Mrs Skee...

This Wednesday I returned to work following my bereavement leave, to find some exciting additions to the NEPS school grounds. The line markings and games in our playground look absolutely AMAZING! I want to extend a HUGE thankyou to Mrs Karen Prestidge for submitting the funding application to make this possible, as well as acknowledge the ongoing support from the Latrobe City Trust. It fills me with such pride to see all of the improvements that continue to be added to our already wonderful school. Can I please take this opportunity to thank Mr Nick Walsh for taking on the role of Acting Principal in my absence, as well as the wonderful NEPS staff for their ongoing support as well as during my leave.

Student Free Professional practice day:

Please be advised that the members of the school council have approved a "STUDENT FREE" professional practice day for ALL NEPS staff **on Friday June the 10th**. This is then followed by the Queen's birthday on Monday the **13th of June**, which is a public holiday. There will be **NO SCHOOL** on either of these days and the administration office will also be closed.

International Education Support Day

On Wednesday the 18th of May NEPS celebrated International Education Support Day. At NEPS we are extremely fortunate to have a large staff of ES team members, who take on roles both in and outside the classroom. To recognise their ongoing support of our students, staff, families and school, the teachers put on a mouth watering morning tea for them at recess time. These staff members were also treated to a drink of their choice from DANBOS coffee in Newborough. I personally would like to thank our AMAZING ES staff members who make a significant contribution to NEPS.

SCHOOL PHOTO DAY IS COMING:
