A word from Mrs Skee

This week has been a very busy one at NEPS. As we approach report time, teachers have been incredibly busy undertaking student assessments that inform their report writing. A huge thank you to not only our hard working teachers, but to our incredible part time and casual staff who have stepped in to cover grades so that teachers could work 1:1 with their students to assess them.

A word from Mrs Skee continued

Next week (**Tuesday the 11th of June**) we have our staff professional practice day which is used by teachers to write reports as well as inform their own work in the teaching and learning domain. Please be advised that the office will be closed on this day **and no students will be required at school**. This professional practice day backs onto the King's birthday public holiday on **Monday the 10th of June**.
