A word from Mrs Skee

On Monday the 29th of July ALL Newborough East Primary School assembled to undertake whole school professional learning. The core purpose of the day was to;

A word from Mrs Skee continued

- Share Department of Education documentation that underpins the work we are undertaking to ensure that we are aligning with Department process, policy and expectations.
- To introduce the Victorian Curriculum 2.0 with a focus on English
- To ensure whole school consistency in relation to teaching, learning and behavioural expectations.

The day featured a combination of information and knowledge building as well as the practical development of the new “I can” statements to support our reporting rubrics.

The day was presented and supported by the members of our School Improvement Team –

Mr Nick Walsh (Assistant Principal)

Mrs Kristy Burnett (p-2 Teaching and Learning Specialist)

Ms Debbie Richardson (3-4 Teaching and Learning Specialist)

Mr Matthew Dubois (5/6 Teaching and Learning Specialist)

And myself – Julie Skee (Principal).

During the day we also provided all staff with our term 3 core work priorities which outlines the work that they will be undertaking this term.

I would like to take this opportunity to sincerely thank each and every member of our NEPS learning community who supported this day. This includes TheirCare who extended their hours of operation to support families with child care on this day.

Student/Teacher/Parent conversations : On Tuesday the 30th of July we conducted our Student/Teacher/Parent conversations. These conversations were centred around student learning conversations and focused on celebrating successes as well as discussing future learning goals. It was extremely pleasing to see the active participation of our students and their families, and I have enjoyed talking with students about what their goals and targets are following these conversations. I have always maintained that education is a true partnership between home and school. It is when we are working together that our students are able to achieve optimum growth and development. Thank you to all those who made time to participate in these rich discussions.

Parent/ Caregiver Opinion Survey

The survey is now open. The survey will remain open from **Monday 29 July to Friday 30 August 2024**. Click on the link below, or copy and paste the text into your browser. This link will take you directly to the survey.

NAIDOC WEEK

Naidoc Week was celebrated at NEPS from the 22nd until the 26th completing the celebrations with a Naidoc themed assembly. This year's theme was KEEP THE FIRE BURNING, LOUD, PROUD and BLAK.

Throughout the week students engaged in soft-landing Naidoc activities, weekly learning, reading focus groups incorporating dreamtime stories and biographies.

Inquiry and history of Naidoc are some to the topics students have cover throughout our Naidoc week.

Our Naidoc assembly included a traditional smoking ceremony and Welcome to country from a local Elder.

Prep to grade 2 students preformed Brug, dan, boon il jaan (Heads, shoulders, knees and toes) that students have been practicing from a workshop with Hollie Johnson Preps to 2 students had taken part in earlier on in term 2. Students were supported at Assembly from Margret a NEPS grandparent.

First nations students then performed cultural dances they had learnt throughout the day with Teena Moffatt.

This was a wonderful celebration with the NEPS community and we were lucky enough to have the local Mayor in attendance, also KESO and community members.
